NEW & INTERESTING

MARCH 2019

COPPERLEAF HOA UPDATE

As always, the Copperleaf HOA has a variety of wonderful new events and activities planned for Spring and Summer at Copperleaf for all residents to enjoy – including Active April, Summer Food Truck Rallies, ongoing exercise opportunities and so much more. Visit their newly redesigned website at www.copperleafhoa.org to get more details and information on all upcoming events.

BARK PARK UPDATE

Copperleaf developers are currently working on the design and planning of the much-anticipated Bark Park – an off-leash park for dogs that will feature a variety of canine amenities. Once approval from Arapahoe County is received, construction is being considered for 2019.

COPPERLEAF COMMUNITY PARK UPDATE

Copperleaf Community Park is a being developed by Arapahoe Parks and Recreation District. All updates on timing and amenities can be found at www.aprd.org

OAK PARK UPDATE

Richmond American Homes is now building new single-family homes in the Oak Neighborhood which also includes a yet-to-be-named park that will sit in the center of the Oak Neighborhood. This new park will likely be Copperleaf's largest neighborhood park - excluding the Copperleaf Community Park to be planned by Arapahoe Parks and Recreation District. Please stay tuned for updates on this new Copperleaf park.

RETAIL UPDATE

Copperleaf developers continue to plan and sell retail and commercial land within Copperleaf Community. Additional retailers are anticipated to be announced in 2019. Until then, Copperleaf residents can enjoy a variety of nearby retail, dining and entertainment amenities including the ever-popular Southlands Mall.

SENIOR CENTER UPDATE

The Copperleaf Senior Center is also still in the planning stages of development. In January 2019, Affinity at Copperleaf received Board of County commissioner approval for a 170-unit senior living apartment project that will include a large recreation center. Although no announcement has been made, we hope to see construction begin in 2019. Please stay tuned for additional information on this exciting new addition to Copperleaf.
